CBMS Builds Cover Sheet

February 2019 - CBMS Build Projects

You asked, and we delivered! The SDC continuously seeks to excel at customer service. To best serve you, our customers, the SDC strives to provide efficient and non-duplicative training. In efforts to achieve continuous improvement toward our mission, we have adapted our CBMS Build Cover Sheet to align with existing material. Therefore, this CBMS Build Cover Sheet now provides a high-level summary of this quarter's build training projects and contains links to release notes for each project. We are excited to provide this more efficient and non-duplicative approach to SDC's CBMS Build Cover Sheet!
