

CPPM-7246 CBMS Mobile Apps Push Notification Consolidation

Push notifications are now available on the MyCOBenefits application for the Colorado Works (CW) and Adult Financial (AF) programs. With the new options, clients will have the ability to enable or disable the notifications for items such as appointment reminders, program status updates, and actions needed.

Push notifications available on your mobile device include information about:

- Returned mail
- Closure of either an AF or CW case
- CW extension request available
- TANF month updates
- Participation hours due
- Good cause verification reminder
- Upcoming recertification
- AND-SO SSI appeal verification needed
- AND-SO SSI application verification needed
- Verifications needed
- Upcoming Workforce appointments
- Upcoming Workforce assessment
- Upcoming interview

MyCO Benefits

You are being notified that this notification shall pop up when you receive a notification.

Edit Your Push Notification Preferences in the 'Notifications' Menu

Go to "Manage My Account" and scroll down to "Notifications"

Options for customizing your push notification preferences
