01

When workers are reissuing benefits for CW, AF, or Supportive Services, the drop down menu 'Type of Loss' will only display the types "Complete" or "Partial".

Workers will be able to reissue benefits for CW, AF, or Supportive Services month by month. Benefits cannot be reissued for multiple months in one transaction.

- The system will generate one notice per month authorized.
- If multiple months are reissued on the same day, each month reissued will get a separate speed letter, but they will all be sent out in the same envelope to the client.
- If benefits are reissued for multiple months on different days, clients will get a speed letter for each month being reissued in different envelopes.
