### Behavioral Health Aid (BHA) Codes

Behavioral Health Administration Community Services is a HPLG that utilizes CBMS and follows the same MAGI methodology used for MA with some exceptions. Members cannot be dual eligible for MA and BHA. MA eligibility will always take priority over BHA.

Program Description	Aid Code
300% Means Tested BHA	X1
Non-Means Tested BHA	X2
<ul style="list-style-type: none"> <li>No appeals process for either aid code</li> <li>Both codes will have the option of Retro Coverage for three (3) months before the application month</li> <li>If the applicant is from out of state, CBMS will have a county option for "BHA 3rd party vendor"</li> </ul>
