Navigating Retro Coverage

Retro Coverage

90

Applies 90 calendar days prior to the generic MA Re-Apply date.

Additional Information

- » If a gap in coverage exists for the current application, Retro Coverage can only cover up to 3 months prior to the MA Re-Apply month.
- » Retro Coverage will only be allowable for every gap record within the current application (not past applications) for the generic MA Re-Apply reason.
- » Once Retro Coverage has been requested for a given month, you cannot select that same month again. Once the Retro month request is authorized, it cannot be changed.
- » Users will see a 'Retro was requested' iNOA when a member requests Retro tied to the MA Re-Apply reason.

Navigating Retro Coverage in CBMS

1

Retro Coverage is requested by the member and only applies to those meeting the MA Re-Apply criteria.

When an MA Re-Apply date is entered, you will be prompted to select the month(s) for which the member is requesting Retro Coverage. The available selection of month(s) is generated by the system based on the member's Re-Apply application date.
